## Introduction

The Indian and Inuit Graduate Register is an annual cumulative listing of Canadian Indian and Inuit graduates of universities, teachers' colleges and schools of nursing. This edition includes all reported graduates up to July, 1977.

While every effort has been made to make this list accurate and complete, inadvertently there may be errors or omissions.

The Education and Cultural Support Branch would appreciate receiving any information regarding errors or omissions as well as any suggestions regarding the preparation of subsequent editions of the Register.

The names of graduates who prefer not to be included in the Register will be deleted from subsequent listings at their request.

Dr. M. Richer,  
Director,  
Education and Cultural Support

## Présentation

Cet annuaire fournit une liste cumulative annuelle des Indiens et Inuit diplômés des universités, des écoles de formation des maîtres et des écoles d'infirmières. Cette nouvelle édition comprend tous les diplômés en date du mois de juillet 1977.

Malgré tout le soin apporté à faire de ce catalogue un inventaire précis et complet, quelques erreurs ou omissions ont pu s'y glisser par inadvertance.

C'est pourquoi la Direction du soutien pédagogique et culturel s'appliquera à corriger toutes les fautes qu'on voudra bien lui signaler, de même qu'elle tiendra compte de toutes les suggestions de nature à améliorer les éditions futures. Ceux qui le désirent peuvent, sur simple demande, voir leur nom rayé du répertoire dans les éditions subséquentes.

Le directeur  
Soutien pédagogique et culturel  
M. Richer
